Thesis Dissertation Completion Certificate Form/Project Completion Instructions

The Dissertation Completion Certificate Form/Project Completion is used by both Master's Thesis students and PhD students for their dissertation. The PhD students will need to fill out the entire form, but Master's students just need to complete the following boxes in the first section:

- Last Name
- First Name
- GWID
- GW Email
- Field of Study
- Degree
- Department
- Advisor's Name (your faculty advisor)
- Research Advisor (if different from the faculty advisor)
- Graduation Semester

You will then need to get your Examining Committee member names and signatures in the third section and submit it to your advisor or home department for the Department Chair's signature. The Department will then send your signed form to seasgrad@gwu.edu who will then submit it to the Associate Dean for signature.

You will submit this form along with your [ETD Approval form](#).

*Please note that you can ignore any other section not listed above including the recommendation section and the publication requirement section.
